## DESCRIPTION

This Lagoon 42 is delivered by the Dutch Lagoon dealer in the second part of 2020. The yacht is from the first owner and mostly used for holiday trips. They sailed the yacht for 2 years in the Netherlands and then left for the Mediterranean.. After sailing there for 2 years, they are ready for a new project. That is why this beautiful catamaran is now available for sale.

The yacht has many options and in impeccable condition. Equipped with all the options you could wish for, ready for departure on a long journey.

The yacht has had punctual maintenance and has sailed little with only 650 engines hours.

In this brochure you will find all options and information. We invite you for a viewing appointment in Spain.
